OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. PERLMUTTER. Madam Speaker, I rise to acknowledge the lifetime of public service of Meredith ("Merrie") Roosa Inderfurth. After graduating from Brown University, Merrie came to Washington to earn an MPA at George Washington University and never left.

Merrie joined the congressional staff of Rep. Lindy Boggs, whose late husband, then-Majority Leader Hale Boggs led the creation of the National Flood Insurance Program, cementing Merrie's interest in flood management.

During her 15 years with Rep. Boggs, Merrie took time to have two extraordinary daughters, both now in public service; one is my Deputy Chief of Staff and essential to my office, and her sister is a respected prosecutor in nearby Montgomery County, Maryland. Her stepdaughter is a highly qualified medical professional.

Merrie then returned to public life and made use of her flood pedigree serving for almost 30 years as the Washington Liaison for the Association of State Flood Plain Managers and National Flood Association.

In 2007, she was the recipient of the Association's highest honor, the Goddard-White Award 'For Outstanding Leadership and Guidance on National Flood Policy Issues'.

Madam Speaker, it is impossible to count how many Members of Congress have benefited from Merrie's thoughtful, consistent counsel. I want to express sincere appreciation for the career and public service of my friend Merrie Inderfurth.
